

MONEY MAKING TIPS FOR A BETTER 2021

These money tips will help you have more control over your money. It will help you save money, so you will have more for, saving, spending, investing and emergency situations. You will feel more confident to make better financial decisions. This in turn will assist you in making your money work for you and help you build financial independence.

LEAVE your lender: loyalty to your home loan lender is a sure way to lose the dollars in the long-term. If you haven't done so already NOW is the best time to shop around for a better rate or at least re-negotiate with your current lender. Current variable rates are sitting in and around 2 – 3%. Check yours today!

Plan and AUTOMATE! You've heard it before, if you fail to plan, you plan to fail! Let's face it, if superannuation was not automated, despite our best intentions, how many of us would commit to it?! Create a budget for expenses, emergencies and entertainment and then automate payments to match your goals.

BILLS BILLS BILLS, can anyone else pay my bills? If only! However, there is a way to minimise your bills ... just like your home-loan lender, ditch the loyalty! Shop around, compare costs and switch!
